About Us

At Huntington High School, we strive to prepare each student for his/her rightful place in society by providing training that will meet individual needs, interests and abilities.

The objective of the school is to

- Offer both a curricula and extra-curricula program.
- Prepare students who plan to work immediately after graduation as well as continue their formal education.
- Train students to believe that attitudes, appreciation, study, work habits, and skills are very important.
- Emphasize education for the purpose of gainful employment, productive lives and services in the community.

HUNTINGTON HIGH SCHOOL

It is the mission of Huntington High School to build and nurture a community of leaders who respect differences, value academics, and strive for personal excellence.

Student Life

Students involved in co-curricular activities are more likely to perform better academically, develop effective leadership skills, and express greater satisfaction with their school experience compared with those who are not involved.

Huntington has many clubs and organizations available for students.

- Baseball
- Basketball (Boys & Girls)
- Football
- Golf
- Softball
- Soccer (Boys & Girls)
- Tennis
- Track
- Wrestling

- Interact Club
- JROTC
- Majorettes
- National Honor Society
- Newspaper
- Orchestra
- Pep Squad
- Servant's Heart
- Spanish Club
- Student Council
- Yearbook
- Z Club
- Bowling

HHS Magnet

In the early 1990s, Huntington did some research to determine what would be a valuable addition to the curriculum offered in the school. Due to the close proximity of the Fire and Police Training Academies and because work place skills are so important, the Magnet Program was created.

Students are encouraged to become involved in the following:

- Volunteers for Youth Justice Teen Court Program
- Regional Mock Trial competition
- Raider Court
- Junior Achievement
- Future Business Leaders of America (District and State Competitions)
- DECA

2018-2019 Dual Enrollment Classes
